CHARACTERISTICS OF GEM OF THE STOCK EXCHANGE

GEM has been positioned as a market designed to accommodate small and mid-sized companies to which a higher investment risk may be attached than other companies listed on the Stock Exchange. Prospective investors should be aware of the potential risks of investing in such companies and should make the decision to invest only after due and careful consideration.

Given that the companies listed on GEM are generally small and mid-sized companies, there is a risk that securities traded on GEM may be more susceptible to high market volatility than securities traded on the Main Board and no assurance is given that there will be a liquid market in the securities traded on GEM.

The Company's existing share buy-back mandate to repurchase Shares was approved by ordinary resolutions at the annual general meeting held on 30 July 2019. The existing share buy-back mandate to repurchase Shares will lapse at the conclusion of the Annual General Meeting. 6. ANNUAL GENERAL MEETING AND PROXY ARRANGEMENT

The Notice of Annual General Meeting is set out on pages 15 to 19 of this circular.

Pursuant to Rule 17.47(4) of the GEM Listing Rules and the Articles of Association, any vote of Shareholders at a general meeting must be taken by poll except where the chairman, in good faith, decides to allow a resolution which relates purely to a procedural or administrative matter to be voted on by a show of hands. The resolutions to be proposed at the Annual General Meeting do not relate purely to a procedural or administrative matter. Accordingly, all resolutions set out in the Notice of Annual General Meeting will be put to vote by way of poll at the Annual General Meeting. An announcement on the results of the vote by poll will be made by the Company after the Annual General Meeting in the manner prescribed under Rule 17.47(5) of the GEM Listing Rules.

A form of proxy for the Annual General Meeting is enclosed with this circular which is also published on the websites of the Stock Exchange (www.hkexnews.hk) and the Company (www.butaoramen.com). 7. RECOMMENDATION

The Directors consider that the proposed re-election of retiring Directors, proposed re-appointment of auditor and proposed granting of the Share Buy-back Mandate and the Issuance Mandate are in the best interests of the Company and the Shareholders as a whole. An exercise of the Issuance Mandate enables the Company to raise additional capital of the Company from time to time. An exercise of the Share Buy-back Mandate may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value per share and/or earnings per share. Accordingly, the Directors recommend the Shareholders to vote in favour of the relevant resolutions to be proposed at the Annual General Meeting and as set out in the Notice of Annual General Meeting.

8. GENERAL INFORMATION

Your attention is drawn to the additional information set out in the Appendices to this circular. The English text of this circular shall prevail over the Chinese text.

The following is an explanatory statement required by the GEM Listing Rules to provide the Shareholders with requisite information reasonably necessary for them to make an informed decision on whether to vote for or against the ordinary resolution to be proposed at the Annual General Meeting in relation to the granting of the Share Buy-back Mandate.

1. SHARE CAPITAL

As at the Latest Practicable Date, the issued share capital of the Company comprised 500,000,000 Shares.

Subject to the passing of the ordinary resolution set out in item 4 of the Notice of the Annual General Meeting in respect of the granting of the Share Buy-back Mandate and on the basis that no further Shares are issued or repurchased before the Annual General Meeting, i.e. being 500,000,000 Shares, the Directors would be authorised under the Share Buy-back Mandate to repurchase, during the period in which the Share Buy-back Mandate remains in force, a total of 50,000,000 Shares, representing 10% of the total number of Shares in issue as at the date of the Annual General Meeting.

2. REASONS FOR SHARE BUY-BACK

The Directors believe that the granting of the Share Buy-back Mandate is in the best interests of the Company and the Shareholders.

Shares buy-back may, depending on the market conditions and funding arrangements at the time, lead to an enhancement of the net asset value per Share and/or earnings per Share and will only be made when the Directors believe that such a buy-back will benefit the Company and the Shareholders.

3. FUNDING OF SHARE BUY-BACK

The Company may only apply funds legally available for share buy-back in accordance with its Articles of Association, the laws of the Cayman Islands and/or any other applicable laws, as the case may be.

The Company will not purchase the Shares on GEM for a consideration other than cash or for settlement otherwise than in accordance with the trading rules of the Stock Exchange from time to time.

4. IMPACT OF SHARE BUY-BACK

There might be a material adverse impact on the working capital or gearing position of the Company (as compared with the position disclosed in the audited accounts contained in the annual report of the Company for the year ended 31 March 2020) in the event that the Share Buy-back Mandate was to be carried out in full at any time during the proposed buyback period. However, the Directors do not intend to exercise the Share Buy-back Mandate to such extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or the gearing levels which in the opinion of the Directors are from time to time appropriate for the Company.

5. MARKET PRICES OF SHARES

The highest and lowest prices per Share at which Shares have traded on the Stock Exchange in each of the 12 months immediately preceding the Latest Practicable Date were as follows:

Month	Highest HK\$	Lowest HK\$
2019		
June	0.255	0.228
July	0.230	0.208
August	0.210	0.158
September	0.204	0.155
October	0.171	0.149
November	0.152	0.112
December	0.115	0.100
2020		
January	0.105	0.065
February	0.080	0.063
March	0.083	0.075
April	0.089	0.077
May	0.089	0.078
June (up to the Latest Practicable Date)	0.085	0.079

6. GENERAL

To the best of their knowledge and having made all reasonable enquiries, none of the Directors nor any of their respective close associates (as defined in the GEM Listing Rules) have any present intention to sell any Shares to the Company in the event that the granting of the Share Buy-back Mandate is approved by the Shareholders. The Company has not been notified by any core connected persons (as defined in the GEM Listing Rules) of the Company that they have a present intention to sell any Shares to the Company, or that they have undertaken not to sell any Shares held by them to the Company in the event that the granting of the Share Buy-back Mandate is approved by the Shareholders. The Directors have undertaken to the Stock Exchange to exercise the power of the Company to repurchase Shares pursuant to the Share Buy-back Mandate in accordance with the GEM Listing Rules, Articles of Association and the applicable laws of the Cayman Islands.

7. TAKEOVERS CODE

If as a result of a buy-back of Shares pursuant to the Share Buy-back Mandate, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition of voting rights for the purposes of the Takeovers Code. Accordingly, a Shareholder or a group of Shareholders acting in concert (within the meaning under the Takeovers Code), depending on the level of increase in the Shareholder's interest, could obtain or consolidate control of the Company and thereby become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code. To the best knowledge of the Company, as at the Latest Practicable Date, Brilliant Trade Enterprises Limited, the substantial shareholders of the Company, was interested in 341,250,000 Shares representing approximately 68.25% of the total issued share capital of the Company. In the event that the Directors exercise the proposed Share Buy-back Mandate in full, the aggregate shareholding of Brilliant Trade Enterprises Limited would be increased to approximately 75.83% of the issued share capital of the Company.

Assuming that there is no issue of Shares between the Latest Practicable Date and the date of a repurchase, an exercise of the Share Buy-back Mandate in whole will result in the aggregate amount of the issued share capital of the Company in public hands falling below the prescribed minimum percentage of 25% as required by the Stock Exchange. The Directors confirm that the Share Buy-back Mandate will not be exercised to the extent as may result in a public shareholding failing below the prescribed minimum percentage.

8. SHARE BUY-BACK MADE BY THE COMPANY

During the 6 months prior to the Latest Practicable Date, the Company had not repurchased any of the Shares (whether on the Stock Exchange or otherwise).
